McManus Bros., of Newark, peddle wingers, clocks, etc., through the town but have no license. Three or four times before they have been taken up and each time they have promised to take out a license. He had one of their drivers up on Wednesday who was the last one who will be dealt leniently with.

C. Heinz, a German citizen of Bloomfield, got into a cherry-tree belonging to the R. L. & W. R. R. Tuesday afternoon and proceeded to pick them. Mr. Van Tassel, the freight agent, requested him to come down which he would not do until the laborers on the railroad made an engine movement on him.

Members of Pierson Post who wish to go to Washington with it, still have an opportunity. There is room in the elegant quarters selected for a few more, but they must pack quick. Quarters are being rapidly taken up, and those who wait until the last moment will get left. See the quarter master on cue.

E. W. Baldwin, 522 Broad Street, has had a wing built on the north side of the house which reflects credit upon the architect, Chris. Meyers, of Montclair. The house work was done by Robt. Day and the carpenter work by Alvin Brown. Louis Johnson has studied electric and has artistically painted the house which is admired by all who see it.

It has got around that Wm. Kronrich and others lost their way in driving home from the German Sunday School picnic last Thursday. Mr. Kronrich says he and his party went to Paterson so as to have a long drive home, and that he is too good a sailor to go out without his compass, and while he can't get lost in this part of the country.

There was a collision on Sunday night on Bloomfield Avenue between a bicycle and a carriage. The occupants of the carriage, Mr. and Mrs. Smith and their daughter of Caldwell, were thrown out. Mr. Smith had his collar bone broken and was otherwise injured; his wife received slight injuries but the daughter escaped unharmed. The bicycle was made a total wreck but the rider was unhurt.

The Union prayer meeting held Thursday evening in the Baptist Church school room was well attended. Rev. C. A. Cook was the only pastor present, the others being away on their vacation. The work being undertaken by the Evangelical Union was the special subject of consideration and prayer. It was announced that the preparations for house to house visitation are about completed, and that the first Union Evangelistic service will be held in the First Presbyterian Church on Sunday evening, September 25.

The S. Griffith M. B. Association on Thursday carried over 3,000 people to Lake Hopatcong who ate and drank up everything there was at the place. The trains started back at 5 P. M. but through some mismanagement the large party which went from Bloomfield did not reach home until 11 P. M. There was not a drop of water to be had on the trains and there was in consequence very much suffering among the children. There was plenty of amusement at the Lake. Base Ball.

Boston is losing its reputation for having the best ball players in the world, as undoubtedly Brooklyn this year has stolen its reputation and to-day is justly entitled to that distinction.

The Cleveland Club is considered the best balanced team in the league. It is strong all along the lines, being unexceptionally so in the box.

There is a movement on foot which will likely take shape so that our Bloomfield team will have a place to play at in our town next season. There is no reason why it would not be a paying investment to those who equip a proper place for the playing of the national game here.

The Imperials of Newark did not put in an appearance on Saturday, so the Bloomfield nine played a game with the Monitors. Score, viz: Bloomfield, 14; Monitors, 3. Earned runs, Bloomfield 4. Two base hits, Vought and Murphy. Stolen bases, 5; Lewis, Robotham, Perry, Decker and Leonard. Double plays, Berstetcher, (unassisted) Riley and Leonard. Base on called balls off Vought 1, off Fisher 3. Struck out by Vought 10, by Fisher 3. Time of game, 1 hour 50 minutes. Umpire, Wallace Cadmus. The Bloomfield Base Ball Club play a good game and should have the sympathy and support of the township.

The Bloomfield Base Ball nine and the Stars of Watessing will play a series of games, best 3 out of 5 for a set of bats and a bat bag, offered as a trophy by the BLOOMFIELD RECORD. We have two good clubs here and this small trophy has been offered to encourage these clubs in which we all should have a special pride. The first game will be played on the ball grounds at Glen Ridge on Saturday, August 27th. Wallace Cadmus will umpire for the Bloomfield nine and Henry Bradley for the Stars.

The Colored Cuban Giants have arranged to play a game of ball on Labor Day with the Montclair Athletic team at their grounds in Montclair. This promise is to be a great game and will be an attractive card to lovers of the game.

W. L. Johnson, J. Milton Unangst, Fred J. Hall and James Crisp, Jr., will start to-morrow morning for a week's run through Sussex County and will return by way of Easton, Pa. Next Sunday will be spent at Swartzwood Lake.

The Sunday School of the Verona Methodist Church had an excursion to Greenwood Lake on Wednesday.

The Rev. James Brand of Obelin, Ohio, occupied the pulpit of the Montclair Congregational Church last Sunday and preached to a large congregation.

The people of Montclair want the Game-well Fire Alarm System but don't want the poles. A very lively discussion was had over the matter at the meeting of the Township Committee last Monday. In the meantime the Company is delayed in its work by the opposition created.

Local Politics.

The Young Men's Republican Club will hold their regular monthly meeting to-night. A full attendance is expected as there is very much important business to transact. New members are being added and yet there is room for more. Every active young Republican should be a member of this club.

B. F. Baldwin, captain of the Bloomfield Republican Battery, will call a meeting of the Battery at an early date to make preparations for the banner raising.

The Second Ward Republicans are getting their banner ready to swing out on Broad Street, most likely in front of Colfax's store. There is nothing so about the Republicans of the Second Ward.

There are whispers that the Watessing Hatters will appear at the banner raising in their grandfather's hats. If they do it will prove a very unique feature of the affair.

Speer and Stager are giving the wood-work of the First Presbyterian Church a fresh coat of paint. John Jenkins is touching up the woodwork of the High School with paint.

The Carbuncle Ring.

The carbuncle ring is now quite frequently seen on the hands of the fashionable gentleman. One of the rarest and most precious stones is the carbuncle, which is sometimes confounded with the ruby, from which it differs by the intensity of its fire, produced by an internal luster of gold, while under the purple of the ruby there only appear dottings of azure or lacquer. Ethiopia produced the most precious ancient carbuncles. The Chaldeans regarded this stone as a powerful talisman. The virtues of the carbuncle are resistance to fire, preservation of the eyes, promotion of pleasant dreams, creation of happy illusions and an antidote against impure air.—Bangor Commercial.
